Press Release

Community Construction Projects to Impact West Lafayette Parks

West Lafayette, IN, Wednesday, February 25, 2015: The West Lafayette Parks & Recreation Department has announced that 2 different community construction projects will affect the public's use of park facilities in West Lafayette.

When the Happy Hollow Road project begins this spring, the entrance to Happy Hollow Park will only be able to be accessed from the North, i.e., going downhill. In addition, the east parking lot will be utilized by the contractor. Those that wish to use the pavilion at that parking lot, may do so on a first come-first serve basis. No reservations will be taken for that shelter.

A second construction project is slated to begin on Morehouse Road, adjacent to the Northwest Greenway Trail, just north of Memory Garden Cemetery. Due to safety concerns, the Northwest Greenway Trail will be closed to trail users at Morehouse Road during sanitary sewer work. The work will take 3-4 weeks.

Traffic signage will be placed for both projects to remind the public as the construction begins.

Questions may be directed to the Parks Superintendent, Janet Fawley at 765-775-5110 or emailed at jfawley@wl.in.gov.
